SolarTech Power Solutions

Georgia lithium battery pack processing manufacturer

Overview

Who makes lithium ion batteries?

With a rich heritage of developing batteries used to power satellite systems and the first lithium ion battery approved for use on a commercial airliner, GS Yuasa has established itself as a premier manufacturer of lithium ion batteries.

Who is GS Yuasa lithium power?

As a complete lithium ion battery solutions provider, GS Yuasa Lithium Power can provide everything from cells to complete battery systems. Our portfolio includes Lithium Ion cells in multiple chemistries optimized for energy and/or power, with capacities ranging from 4Ah to 400Ah. Today, GYLP is located in Roswell, Georgia.

Who is LG Energy Solution?

LG Energy Solution is a leading global manufacturer of lithium-ion batteries for electric vehicles, mobility, IT, and energy storage systems. With 30 years of experience in revolutionary battery technology and extensive research and development (R&D), the company is the top battery-related patent holder in the world with over 58,000 patents.

Where is HL-GA battery company located?

Our battery cell manufacturing joint venture is strategically located outside beautiful Savannah, Georgia and is scheduled to start production early 2026. HL-GA Battery Company is one of the largest projects in the state of Georgia history.

Who is HL-GA battery?

HL-GA Battery is committed to creating a more sustainable future powered by American workers. LG Energy Solution and Hyundai Motor Group have long been partners in the field of electrification. LG Energy Solution worked with

Hyundai Motor Group to supply EV batteries for vehicles, including Elantra Hybrid, Kona Electric, and IONIQ 6 dedicated EV.

Who is hmgma Battery Company?

Together, we are advancing the future of sustainable mobility by manufacturing state-of-the-art lithium-ion battery cells for electric vehicles. Strategically located at the HMGMA Metaplant site near the city of Savannah, Georgia. HL-GA Battery Company embodies a forward-thinking vision and commitment to excellence.
