

SolarTech Power Solutions

Australian solar panel wholesale source manufacturer

Overview

This guide reviews leading players in the Australian solar panel market—including local producers such as Tindo Solar and ASM Solar, alongside international heavyweights like Canadian Solar, Longi, JinkoSolar, and Hanwha Q Cells—to help you make an informed decision. Where can I buy solar panels in Australia?

At PV Warehouse, you will find great products at competitive wholesale prices along with a friendly and helpful support team. PV Warehouse is a leading wholesale distributor of solar panels, inverters, and batteries across Australia.

Who makes Australian solar panels?

Australian Solar Manufacturing (ASM) – Focused on producing reliable and efficient PV modules tailored for Australian conditions. International Brands Operating in Australia: Canadian Solar – Global leader offering cost-effective solar solutions. LONGi Solar – Renowned for high-efficiency monocrystalline panels.

Who is SG wholesale?

SG Wholesale is a wholly Australian-owned and operated supplier of solar components, including solar panels, solar PV inverters, batteries and electricals. Our focus is on supplying quality components at the best possible value. Come and see a huge range of Solar PV Products at our warehouse.

Are ASM solar panels made in Australia?

Consumer Feedback: While specific reviews are limited, the company is recognized for its pioneering role in Australia's domestic panel assembly and reliable workmanship. ASM provides a made-in-Australia assembly service that supports local industry, though they don't manufacture photovoltaic cells themselves.

Where are Australian solar modules made?

Australian Solar Manufacturing Pty Ltd is the pioneer company to specialise in the production of high-powered 190-200 watt solar modules in Australia, modules are assembled with imported raw materials such as EVA, TPT, Junction Box, Glass, Silicone, Alluminium frame and solar cell. Components are sourced from Germany, Japan, USA and China.

Who are the best solar wholesalers on the Sunshine Coast?

Fantastic service. A great Sunshine Coast resource for solar parts and materials. Would highly recommend. Rob at PV Warehouse provides excellent service, always friendly, has great knowledge, efficient and goes out of his way to help. Can't go wrong when supporting a local wholesaler - highly recommend.
