Battery Cabinet Solution

Overview

What is a galaxy lithium-ion battery cabinet?

Meet Schneider Electric's Galaxy Lithium-ion Battery Cabinet. The Schneider Electric-exclusive Galaxy Lithium-ion Battery Cabinets for 3-phase UPSs are a sustainable, innovative energy storage solution for data centers, industrial processes, and critical infrastructure.

What is a battery cabinet?

Battery cabinets are a convenient storage solution that encourages staff to maintain the correct handling and storage procedures. By charging and storing batteries in the one location, you are reducing the likelihood of batteries being lost, stolen, damaged or left in unsafe conditions (such as outdoors).

Are lithium-ion battery cabinets UL9540A-compliant?

Lithium-ion Battery Cabinets for 3-phase UPSs are sustainable, innovative energy storage solutions for data centers, industrial processes, and critical infrastructures. This UL9540A-compliant battery solution reduces battery footprint and weight by up to 70%, allowing more effective use of space.

What is Galaxy lithium-ion battery Data Kit?

Data kit option to record Galaxy Lithium-ion Battery operation history and event logs through out life span, which can be used for technical analysis and warranty. In addition to doubling battery life, Lithium-ion battery solutions provide predictable, consistent runtime performance.

Why should you choose Galaxy lithium ion battery management system?

The included battery management system improves battery system visibility, predictability, and manageability. The modular, touch-safe design simplifies maintenance. Data kit option to record Galaxy Lithium-ion Battery operation history and event logs through out life span, which can be used for technical

analysis and warranty.

Are Li-ion batteries UL9540A-compliant?

This UL9540A-compliant battery solution reduces battery footprint and weight by up to 70%, allowing more effective use of space. Li-ion batteries reduce TCO by doubling battery life and operating at higher temperatures, reducing cooling requirements.
