

SolarTech Power Solutions

Belize solar power station imports electricity

 **TAX FREE**    

ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Overview

That's thanks to a major leap toward energy independence: Belize's first utility-scale solar power plant is officially in the works, which will provide Belize with fifteen megawatts of power. For years, we've relied heavily on imported energy, about half of our power comes from Mexico.
