

## SolarTech Power Solutions

# Bifacial monocrystalline double-glass modules

## Overview

---

Which bifacial double glass module produces more energy?

The bifacial double glass module produces more energy. Our N-type models have superior bifaciality. This means that the rear side of the module can produce up to 85% of the energy generated by the front side. Thus, the panel generates more energy overall. Lower degradation means a higher return on investment.

Who makes 210 N type bifacial double glass module series?

210 N type Bifacial Double Glass Module Series offered by China manufacturer ZNSHINE PV-TECH Co.,Ltd. Buy 210 N type Bifacial Double Glass Module Series directly with low price and high quality.

What are bifacial HJT solar modules?

The highly efficient heterojunction technology, in combination with the glass-glass architecture, facilitate a new generation of high class solar modules. Due to a very low power-loss of the cell and its symmetrical structure, the bifacial HJT solar modules offer a significant additional yield.

What is a 132-cell monocrystalline n-type HJT solar module?

132-cell monocrystalline N-Type HJT solar module with bifacial 210 mm x 105 mm cells and glass-glass construction. This monocrystalline solar module, with 210 mm x 105 mm HJT cells and glass-glass construction with white mesh backing, impresses with its very high wattage.

What is a bifacial 108-cell n-type HJT solar module?

Bifacial 108-cell N-TYPE HJT solar module in glass-glass construction, black frame. The monocrystalline solar module, with glass-glass construction and white mesh back-sheet, impresses with its very high wattage. As a "multi-output module", it is ideal for commercial properties and specially designed for the safety-conscious homeowners.

What is 144-cell monocrystalline n-type HJT solar module?

144-cell monocrystalline N-Type HJT solar module with bifacial half-cell architecture and glass-glass construction. This monocrystalline solar module, in half-cell architecture and glass-glass construction with white mesh backing, impresses with its very high wattage.
