

SolarTech Power Solutions

Bosnia and Herzegovina Container Outdoor Power Supply

Overview

How many power supplies can be mounted in a 40ft container?

Power supplies <300kW can be mounted in only a single 40ft container, while greater powers can be achieved in multiple containers and connected upon delivery. Depending upon specifications, containerized power supplies may be stacked, or located side-by-side. Setup and testing or shut-down and packing can be achieved within a matter of days.

Why should you use ISO 6346 container standards?

Use of ISO-6346 container standards allows maximum flexibility. Power supply comes from a cable connection to the grid, or from suitable generators, at low or medium voltages. A wide range of high voltage, CW DC, pulsed or modulated waveform outputs can be provided. The entire system is made to be entirely weatherproof.

Why did Albat move to Bosnia and Hercegovina?

Because of the war, in 1992, effects and impossibility to work on the main Market, company ALBAT and all its activities were moved to Slovakia, City of Košice. But in 2005, company ALBAT came back to Bosnia and Hercegovina, City of Sarajevo. Read more!
