Where can I get a free battery test?

Battery World is an online battery store with a few in-person locations for extra services like free battery testing (especially for cars). Currently, local stores are limited to just two states in the US (Louisiana and Mississippi), but Battery World ships across the US and Canada.

Is Batteries Inc a good battery store?

Regrettably, this battery store also doesn't have any presence on third-party review sites. Batteries Inc is currently not rated by the Better Business Bureau, and it has no feedback on trusted sites with verified reviews like Trustpilot or Sitejabber. This leaves us in the dark about the average customer experience at Batteries Inc.

Is battery world a good battery store?

As for Battery World itself, the company is not rated by the Better Business Bureau (there is another battery store also called Battery World that is rated by the BBB, but these aren't the same business, and the one in our review is regrettably not rated).

Is battery ship a good place to buy batteries?

Battery Ship isn't the prettiest website, nor the easiest battery store to browse. There aren't any standard home-use batteries like AAs or 9Vs, and the 30-day refunds are a little lackluster due to the restocking and shipping fees.

## Is battery Mart a good battery store?

Battery Mart is an online battery store that promises it has the "best value in batteries GUARANTEED", according to its tagline. Offering battery products and assistance for phones, basic small vehicles, recharging, and more, you can find plenty of batteries to serve your basic household - and more adventurous - needs.
