

SolarTech Power Solutions

Good PV panel prices in Western Europe

Overview

What is the 2025 Europe PV system pricing report?

The 2025 Europe PV system pricing report covers solar capex for 15 major countries across residential, commercial and utility-scale segments. It includes detailed breakdowns for national average system costs for France, Germany, Italy, Spain and the UK across the three segments.

What's new in Europe's solar DEMAND report?

The report provides an overview of solar demand across Europe and dives into drivers and challenges for cost reduction. With this update, clients can get ten-year forecast pricing data for different PV components and soft cost data for the total PV solar capex.
