

# **How much does a 10kw grid-connected inverter cost in Mozambique**

## Overview

---

A 10kW on grid solar system cost ranges from Rs. 5, 00,000 and Rs. 7, 11,000. In a grid-tied solar energy setup, electricity flows bi-directionally between your system and the local grid. The system includes solar panels, an inverter, and a net meter.
