The Oil & Gas Annual Conference & Expo 2025 will serve as an enriching platform for industry leaders, policymakers, and experts to discuss strategies to navigate market challenges and leverage emerging opportunities. This impactful three-day event will get updates of events and latest news from.

Capacity additions (Table 1). With gas capacity retirement of 285MW, the net capacity added was 13,210MW. With these additions, India's capacity additions, accounting for 57.7%, 21.1% and 13.9%, respectively, of the total capacity added. Solar power capacity reached a new milestone as it crossed 100GW.

The Act provides for National Electricity Policy, Rural Electrification, Open access in transmission, phased open access in distribution, mandatory SERCs, license free generation and distribution, power trading, mandatory metering and stringent penalties for theft of electricity. It is a.
