Integrated cabinet energy storage solution

Overview

Integrated energy storage cabinets for new energy are used to store and manage energy storage systems, batteries, and related components in renewable energy installations, microgrids, and off-grid systems. What is ESS cabinet?

SHANGHAI ELECNova ENERGY STORAGE CO., LTD. The all-in-one air-cooled ESS cabinet integrates long-life battery, efficient bidirectional-balancing BMS, high-performance PCS, active safety system. This series of products adopts an advanced single-cabinet independent liquid cooling control scheme and uniform temperature control strategy.

What are the benefits of a low-voltage AC-side cabinet integration?

Low-voltage connection for AC-side cabinet integration, ensuring zero energy loss
Four-in-one Safety Design: "Predict, Prevent, Resist and Improve"
Predict: AI-powered big data analytics for 8-hour advance fault prediction
Prevent: High-precision detection provides 30-minute early warnings.

What is smart energy storage?

Standardized Smart Energy Storage with Zero Capacity Loss All-In-One integrated design, 1.76㎡ footprint, saving more than 30% of floor space compared to split type
Low-voltage connection for AC-side cabinet integration, ensuring zero energy loss
Four-in-one Safety Design: "Predict, Prevent, Resist and Improve".

What are the advantages of standardized Smart Energy Storage?

Zero capacity loss, 10 times faster multi-cabinet response, and innovative group control technology
Meet various industrial and commercial production and life applications
Standardized Smart Energy Storage with Zero Capacity Loss All-In-One integrated design, 1.76㎡ footprint, saving more than 30% of floor space compared to split type.

What are the advantages of a multi-cabinet system?

Multi-dimensional use, stronger compatibility, meeting multi-dimensional production and life applications High integration, modular design, and single/multi-cabinet expansion Zero capacity loss, 10 times faster multi-cabinet response, and innovative group control technology
