

**SolarTech Power Solutions**

# **Island base station battery selling price**

## Overview

---

Right now, the list price of \$1400 is discounted by an Icom factory coupon down to \$1100. On top of that, there's a \$100 rebate that Icom will send you. If you know what you are doing and know what to look for, you can find some good deals on Ebay and other used equipment sites.
