Israel 100kw containerized power generation

✓ 100KWH/215KWH

✓ LIQUID/AIR COOLING

✓ IP54/IP55

✓ BATTERY 6000 CYCLES

Overview

This project involves the installation and operation of a 100-kW installed capacity station at the Jaffa Port in Israel through a Joint Venture Agreement with EDF Renewables IL, a subsidiary of the French multinational electric utility company Électricité de France S.A. Eco Wave Power also received co-funding from the Israeli Ministry of Energy, which recognized the technology as a “pioneering technology.”
