Moldova Customs Energy Storage Container

Overview

Does Moldova have gas storage facilities?

Moldova currently does not have operational gas storage facilities. However, the government is considering two possible sites for geological storage in the Zagarancea-Mânzesti-Unghenii de Jos villages area and in the Cantemir district. No concrete decisions have been taken on these developments.

When do I need a customs declaration in Moldova?

Importers must submit customs declarations electronically at least one hour before the vehicles and goods are presented at the border or in writing within 72 hours following importation into the customs territory of Moldova. A customs declaration must be filled out for every commercial invoice.

What are the benefits of AEO status in Moldova?

The AEO status allows businesses to enjoy simplified clearance procedures, priority at border crossing, fewer customs controls, 30-day deferred payment under bank guarantee, fewer formalities to be met, etc. Moldova has an AEO mutual recognition agreement with the EU and is negotiating one with CEFTA.
