

SolarTech Power Solutions

New Zealand solar panel power supply system manufacturer

Overview

Who are NZ solar installers?

Trusted by NZ installers. We supply premium solar panels, inverters, batteries, cables, and mounting systems — all in stock locally for fast delivery. Our global brand partnerships mean proven performance and reliability. Expect sharp pricing, responsive service, and tech you can trust — so your installs are faster, easier, and more profitable.

Who are the leading manufacturers of solar power?

We've partnered with industry leading manufacturers such as Fronius, REC, Victron, Tesla Powerwall, Phono Solar, BYD, Freedom Won, Shoto, Hopergy, S-5! and Tigo to deliver a wide range of solutions to our clients and to meet the needs of domestic, commercial, industrial, off-grid and utility scale solar power solutions.

Why should you choose SunPower Maxeon solar panels?

Harnessing this natural resource with high quality solar panels for the betterment of our civilization is our highest priority. Energy Systems Group is a proud member of the Sustainable Energy Association of New Zealand. SunPower Maxeon solar technology makes lifes best moments even brighter, today and for decades to come.

What is a solar battery system?

Our solar battery systems combine solar power with storage, providing maximum independence, efficiency, and peace of mind during power outages. We're committed to guiding customers in their journey towards energy self-sufficiency. We do this by providing reliable, sustainable, and cost-effective solar solutions that deliver long-term value.
