Where are Moco-Montan containers made?

Our transport containers, so called MOCO-Montan Container, which are used in combined transport road-railway, are exclusively developed and produced in Celje. Over the years, the quality has improved steadily and Container d.o.o has now a very good reputation internationally.

Are transport containers a game between kilograms and durability?

The development of transport containers is the game between kilograms and durability. We are aware of the fact that only containers with low weight, high durability and long lifetime are competitive on the market. By use of computer simulations, . [Read more](#)
