Where is the Croatian communication 5G base station

Overview

Will there be 5G in Croatia?

Today we have completed all major cities, by the end of June we aim to have 5G throughout Croatia. Let us remind you that Ookla, global leader in fixed broadband and mobile network testing and analysis and the company behind Speedtest, confirmed that of all mobile operators in Croatia, Telemach achieves the highest 5G download and upload speeds.

When will Telemach Croatia launch a fifth-generation mobile network?

event 29.04.2022. In a recent interview, Nenad Šlibar, Chief Technical Officer at Telemach, announced full coverage of the Republic of Croatia with the fifth-generation mobile network by the beginning of the 2022 tourist season. In less than a year, Telemach Croatia has distinguished itself as a leader in the domestic telecom market.
