

**SolarTech Power Solutions**

# **Yemeni solar panel factory**

## Overview

---

With the start of the , solar panels found their way into the country fast. On March 23, 2015, experienced a major power outage. The , which supplies Yemeni cities with energy, went out of service. Consequently, the generator business flourished for awhile. However, due to the unstable conditions in Yemen, generators were not guaranteed to remain functional at all times because of increasing fuel prices and occasional lack of fuel. Yem.
